Magbit Foundation, a 501c3 nonprofit organization, was established in 1990 to promote education for students seeking to complete their university studies. To accomplish this worthwhile goal, Magbit established an innovative "Interest-Free Loan" program for needy and qualified students. This program was designed to preserve the dignity and spirit of students, as well as to instill in them a sense of responsibility. Students repay loans when they are financially able and repayments go directly to the student's university so that future generations of students may also benefit.

Daniel Manzoor-Mandel  
Secretary

Doran Adhami  
Treasurer

Gina Rofeem  
Executive Director

Our program has been so successful that some universities have modified their scholarship programs to emulate Magbit's "interest-free loan" concept. To date, Magbit Foundation has provided interest-free loans to over 12,000 qualified students.
